

## DDR Prime™

### Essential Oil Cellular Complex

#### Product Description

DDR Prime Essential Oil Cellular Complex is a proprietary blend of pure, therapeutic-grade essential oils that have been shown in clinical studies to help protect cells against free-radical damage while supporting healthy cellular function. The blend includes clove, thyme, and orange essential oil with limonene, providing powerful antioxidants that help protect cellular DNA from free-radical damage. It also includes essential oils from *Boswellia serrata* (Indian frankincense), lemongrass, summer savory, and niaouli that have been shown to support cellular apoptosis and renewal.\*

DDR Prime is available as a pure blend in a 30 ml bottle, or in a softgel that includes dōTERRA Nanosomal Lipid Assimilation System for bioavailability and digestion.

#### Primary Benefits

- Supports healthy cell proliferation and lifespan by reducing oxidative stress to DNA and other critical cell structures\*
- Supports healthy cellular apoptosis and renewal\*
- A proprietary blend of CPTG Certified Pure Therapeutic Grade® essential oils of Indian frankincense, orange, clove, lemongrass, thyme, summer savory, and niaouli
- One 8-drop serving (480 mg) has an ORAC 5.0 score of over 5,000
- Available in a 30 ml bottle, or as a softgel with Nanosomal Lipid Delivery System
